

Internship at the Wuppertal Institute

Conditions

Internships are exclusively offered to students registered at universities or university-level institutions.

The duration of the internship should be at least four weeks. The maximum duration is three months but can be extended if in line with study regulations.

German and English skills are required.

For interns from non EU-member states a valid residence and work permit is required.

Application

Please send your application including your CV, references, overview of your grades and letter of motivation to:
bewerbung@wupperinst.org

We will carefully examine your documents with regard to the defined requirements of the various research groups. For that reason we kindly ask for a two-month assessment period.
